PETITION TO REVIVE APPLICATION ABANDONED DUE TO USPTO ERROR

Applicant hereby petitions for the revival and reinstatement of the present application, which was abandoned due to USPTO error based on the following facts:

1. A non-final office action was sent by the USPTO on 7/24/06.
2. Applicant filed an Amendment on 10/26/06.
3. The examiner mistakenly sent an Advisory Action on 11/17/06.
4. Applicant sent a Response to Advisory Action dated 11/22/06 (copy enclosed) requesting that the Advisory Action be withdrawn because the office action dated 7/24/06 was a non-final action.
5. A Notice of Abandonment was sent on 2/20/07.

Thus, it is clear that the abandonment was due to examiner's mistaken belief that the office action of 7/24/06 was a final office action. Thus, Applicant hereby petitions that the application be revived/reinstated, and that the examiner examine the claims that were submitted in the Amendment of 10/26/06.

Since this abandonment was due to USPTO error, Applicant respectfully requests that the application be reinstated/revived without the requirement to pay a petition fee. However, the Director is hereby authorized to charge any additional patent application processing fees associated with this communication to Deposit Account No. 502187 should he/he deem it necessary.

Respectfully Submitted,

RESPONSE TO ADVISORY ACTION DATED 11/17/06

In response to the Advisory Action dated November 17, 2006, Applicant respectfully submits that the Office Action dated July 24, 2006 is not a final office action, thereby rendering the Advisory Action improper. Therefore, Applicant respectfully requests that the Advisory Action be withdrawn and that the examiner examine the amended claims that were submitted in the Amendment dated 26 October 2006.
